EDUCATION

Najot Ta'liM
2023 June
2023 November

I learned the basics of programming and python C programming language for 6 months at the training center "NAJOT TA'LIM"

Kadirov.Dev
Online 2023
December 2024 June

In the online course of Akmal Kadyrov, a senior programmer with more than 20 years of experience, I learned the technologies necessary for a full stack programmer and improved my knowledge.
